4. School Performance Framework (SPF): Principal McAwley shared the recently released state performance frameworks. The school has a "Priority Improvement" rating, showing minimal growth in both reading and math in the Elementary and Middle School levels.

5. Unified Improvement Plan (UIP): The committee discussed aligning school budget priorities to support targeted reading interventions.

6. Open Forum / Public Comment:

The parents had questions about communication between teachers and families. It was noted that the school was moving away from School Status Connect and moving to PowerSchool MyHub as the main communication between teachers and families. Teachers may use Class Dojo as another form of communication directly with parents.

A parent had asked about the possibility of tuition reimbursements and/or incentives for teachers. The administration will look into this.

7. Adjournment: Next meeting is TBD
